

RTITB Rough Terrain Masted Lift Truck

Who is it for?

It is a legal requirement for employers to ensure that all staff receive adequate information, instruction, training and supervision for the purposes of health and safety (the Health and Safety at Work etc. Act 1974).

Developed for those who need or wish to obtain their RTITB licence, System Training's Rough Terrain Masted Lift Truck courses enable individuals to meet specific operating standards, in turn allowing them to successfully pass the associated practical and theory tests.

Courses available

Novice

Duration: 5 days (37.5 hours)

Experienced

Duration: 3 days (22.5 hours)

Refresher

Duration: 1 day (7.5 hours)

Conversion

Duration: 2 days (15 hours)

The course

Delivered by our highly qualified, experienced instructors, these courses equip learners with the essential skills, knowledge and understanding required to safely and competently operate the Rough Terrain Masted Lift Truck.

The courses specifically cover:

- ▷ The Operator's Safety Code
- ▷ Starting, moving and stopping the truck
- ▷ Operation on rough terrain
- ▷ Equipment stability
- ▷ Steering, the hydraulic system and refuelling/recharging
- ▷ Controls and instruments
- ▷ Pre-use inspection and takeover maintenance
- ▷ Weight assessment
- ▷ Handling laden and unladen pallets / load handling
- ▷ Stacking and de-stacking
- ▷ Vehicle loading and unloading

On completion, individuals will attain a NORS (National Operator Registration Scheme) certificate and photo ID card evidencing their ability to consistently endorse good operating practice in the workplace.*

*NORS is the validation, registration and certification scheme for all RTITB accredited training. NORS certificates and photo ID cards are available at a small additional cost

Did you know?

NORS certification and photo ID cards remain valid for a period of 3 years. Ensure your knowledge, skills and qualifications are up-to-date – refresh your Rough Terrain Masted Lift Truck licence with System Training today!

Benefits to the employer

- ▷ Highly trained, knowledgeable, efficient workforce
- ▷ Ensure legal compliance
