

Forklift Truck Instructor 5 Day Assimilation/Re-registration

Who is it for?

Designed for existing Forklift Truck (FLT) instructors, the 5 Day Assimilation/Re-registration course enables individuals to re-qualify to RTITB standards, in turn allowing them to continue delivering high quality operator training.

The course is specifically suitable for anyone who holds instructor certification from the following accrediting bodies:

- ▷ RTITB (including registered LGV instructors)
- ▷ AITT
- ▷ NPORS
- ▷ ITTSAR
- ▷ LANTRA
- ▷ CITB
- ▷ Military/Fire Service (certification must be verified before the course commences)

The course

Delivered by our highly qualified, experienced RTITB instructors, the FLT Assimilation/Re-registration course updates learners' skills and knowledge in lift truck training principles and techniques.

The course specifically covers:

- ▷ Legislation
- ▷ The role of the instructor
- ▷ Principles and techniques in instruction
- ▷ Task analysis and planning
- ▷ Selection, preparation and use of training aids
- ▷ Construction and administration of the test
- ▷ Practical testing skills

On completion, individuals will attain a RTITB certificate evidencing their ability to continue instructing the safe, competent and efficient operation of lift trucks.*

Duration

5 days (37.5 hours)

Progression

- ▷ IOSH Managing Safely
- ▷ Register and become an RTITB accredited instructor

*RTITB certificates are available at a small additional cost
